Editorial Review

About the Author

Kellen was raised by New Yorkers in Fresno, California, a combination which resulted in an overactive imagination and a yearning for bagels. She decided to become a writer at age 10, after reading L. Frank Baum's "Wizard of Oz" series. At 12, her unfinished first novel was tragically lost in a sea of library books on the floor of her room, forcing her to seek other employment. She's worked as a screenwriter, television producer, bookseller and a congressional staffer, which is exactly as boring as it sounds. She loves vintage maps, strange names, strong coffee, and words and all the flavors they come in. Most of all, she loves her family. She lives with her husband and son in Los Angeles.
