Like Pickle Juice on a Cookie (Eleanor) By Julie Sternberg

When Eleanor's beloved babysitter, Bibi, has to move away to take care of her ailing father, Eleanor must try to bear the summer without Bibi and prepare for the upcoming school year. Her new, less-than-perfect babysitter just isn't up to snuff, and she doesn't take care of things like Bibi used to. But as the school year looms, it's time for new beginnings. Eleanor soon realizes that she will always have Bibi, no matter how far away she is. Written in a lyrical style with thoughtful and charming illustrations throughout, this remarkable debut novel tells a poignant story of friendship and the bittersweet feelings of growing up.

Editorial Review

From [Booklist](#)

Eleanor Abigail Kane has just experienced an August as dreadful as the black parts on a banana: her beloved babysitter, Bibi, has moved away to Florida to care for her ill father, and Eleanor is bereft. How she grows to love a new babysitter, while still cherishing Bibi, forms the center of this understated early chapter book. The story is told in straightforward, steady verse that echoes the gradual pace of Eleanor's healing process. Surrounded by adults who are sympathetic to her loss, Eleanor is allowed time to grieve while being gently encouraged to find joy in new experiences and friends. Cordell's winsome cartoon drawings complement the text without overcrowding the verse. The phrase "pickle juice on a cookie" is used at first to describe something tragic, and then something ridiculous, and fortunately, this title falls into neither category. It tells a simple, poignant story that will resonate with any child who has ever had to say good-bye. Grades 2-4. -- Kara Dean
