**Sociology** By James Fulcher, John Scott

The fourth edition of Fulcher and Scott's *Sociology* provides an authoritative and theoretically grounded approach to sociology, covering both classic and contemporary research. It provides the context for debate and discussion that enables students to develop their critical awareness skills. Contemporary issues such as anti-social behavior are reinforced with recent research, bolstering the text's student-centred approach. This edition also looks at popular culture and recent developments in social networking and online identities.
