The Office of Water Programs is a nonprofit organization operating under University Enterprises, Inc., California State University, Sacramento, to provide distance learning courses for persons interested in the operation and maintenance of drinking and waste-water facilities. These training programs were developed by people who explain, through the use of our manuals, how they operate and maintain their facilities. The university, fully accredited by the Western Association of Schools and Colleges, administers and monitors these training programs, under the direction of Dr. Ramzi J. Mahmood
