David Mitchell: Back Story By David Mitchell

David Mitchell, who you may know for his inappropriate anger on every TV panel show except Never Mind the Buzzcocks, his look of permanent discomfort on C4 sex comedy Peep Show, his online commenter-baiting in The Observer or just for wearing a stick-on moustache in That Mitchell and Webb Look, has written a book about his life.

As well as giving a specific account of every single time he's scored some smack, this disgusting memoir also details:

- the singular, pitbull-infested charm of the FRP ('Flat Roofed Pub')
- the curious French habit of injecting everyone in the arse rather than the arm
- why, by the time he got to Cambridge, he really, really needed a drink
- the pain of being denied a childhood birthday party at McDonalds
- the satisfaction of writing jokes about suicide
- how doing quite a lot of walking around London helps with his sciatica
- trying to pretend he isn't a total ***** at Robert Webb's wedding
- that he has fallen in love at LOT, but rarely done anything about it
- why it would be worse to bump into Michael Palin than Hitler on holiday
- that he's not David Mitchell the novelist. Despite what David Miliband might think

Editorial Review

Review

'One of the best celebrity memoirs of last year...his outsider geek personality translates just as well on the page as it does on TV.' Metro 'It livened up about half way through with the appearance of me. But enough of David's life. The book is wonderful from beginning to end.' Robert Webb 'David Mitchell is an extremely funny man on screen, in person, in print and very probably underwater.' Sam Bain, co-writer of Peep Show 'He can write' Evening Standard 'Fluent, discursive, intelligent.' Evening Standard 'If you like Mitchell on television, you will like him in this book.' Shortlist

About the Author

David Mitchell is a comedian, actor and writer. He stars in Peep Show, writes for the Observer, co-hosts 10 O'Clock Live, has appeared in every TV or radio panel show except Never Mind the Buzzcocks, Quote Unquote and A League Of Their Own and has been in two films neither of which made a profit. He is married, childless and the polysyllabic member of the double-act 'Mitchell and Webb'. Soon he will do more.

Users Review

From reader reviews:

Lillian Albrecht:

The book with title David Mitchell: Back Story contains a lot of information that you can discover it. You can get a lot of benefit after read this book. That book exist new understanding the information that exist in this publication represented the condition of the world at this point. That is important to yo7u to learn how the improvement of the world. This book will bring you within new era of the syndication. You can read the e-book on your own smart phone, so you can read that anywhere you want.

Charles Branch:

Typically the book David Mitchell: Back Story has a lot of knowledge on it. So when you check out this book you can get a lot of gain. The book was authored by the very famous author. The author makes some research prior to write this book. That book very easy to read you may get the point easily after scanning this book.

Brett Nash:

In this era which is the greater man or who has ability in doing something more are more treasured than other. Do you want to become one of it? It is just simple solution to have that. What you must do is just spending your time very little but quite enough to enjoy a look at some books. One of the books in the top list in your reading list will be David Mitchell: Back Story. This book which can be qualified as The Hungry Hills can get you closer in getting precious person. By looking way up and review this book you can get many advantages.

Amanda Young:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's soul or real their hobby. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this David Mitchell: Back Story can make you really feel more interested to read.
