Froggy Goes to School By Jonathan London

Froggy's mother knows that everyone's nervous on the first day of school. "Not me!" says Froggy, and together they leapfrog to the bus stop -- flop flop flop. Froggy's exuberant antics will delight his many fans and reassure them that school can be fun. "This is a great read-aloud with sounds and words that encourage active participation....A charming story to calm those pre-school jitters." -- *School Library Journal* Jonathan London is the author of many books for children, including *I See the Moon and the Moon Sees Me*, *Like Butter on Pancakes* and four other books about Froggy.

Editorial Review

Amazon.com Review

Is Froggy nervous about the first day of school? Well, just a little. First he has a terrible nightmare, dreaming that he almost misses the bus and shows up at school in his underwear. Then when he does wake up, he drops the milk just as he's about to pour some on his bowl of flies! Finally Froggy makes it out the door, leapfrogging the whole way, eager for all the challenges that await him in this comical, brightly illustrated tale of a daunting-but-rewarding first day at school.

Terrific for reading aloud, this is another winner in the *Froggy* series--including *Froggy Gets Dressed*, *Froggy Learns to Swim*, and *Froggy Plays Soccer*. *Zip, zoop, zup* are the sounds of Froggy getting dressed, and when he has to go somewhere, it's *flop, flop, flop* all the way. Our 5-year-old assistant reviewer had fun imitating Froggy and friends, shouting out "Frrrooggy!" and "Wha-a-a-t?" at all the appropriate times. Kids will relate to the trials of the good-natured amphibian who makes lots of mistakes--he yells too loud, interrupts, and has trouble paying attention. With the support of his gentle teacher, however, he soon gets the hang of things. Before long, funny Froggy has the class, and the principal, laughing and singing along with him. All in all, he has a successful day--until he comes home to discover he's left his lunch box and cap at school! "Oh, Froggy. Will you ever learn?" said his mother. "That's why I'm going to school, Mom!" Froggy replies, with a big hop and a grin. (Ages 3 to 6) --*Marianne Painter*

From School Library Journal

PreSchool-Grade 1?In this fourth book for "Froggy" lovers, children are sure to relate to that "pit in the stomach" feeling that often comes with the first day of school. Froggy's biggest nightmare comes true?he shows up for school in his underwear. Luckily, that scenario is just a bad dream, and the big day proceeds without a hitch. This is a great read-aloud with sounds and words that encourage active participation. Remkiewicz's large, vivid cartoon illustrations show Froggy's amusing, priceless facial expressions as well as those of his family and assorted animal classmates. A charming story to calm those pre-school jitters.?Kathy Mitchell, Gadsden Co. Public Library, Quincy, FL

From [Booklist](#)

Ages 2^5. The fourth book about Froggy begins with a nightmare many kids will recognize: he finds himself at school in only his underwear. Luckily, it was all a bad dream. He wakes up in his bed and gets all dressed up for his first day at school. He's so nervous he can't pour milk on his bowl of flies for breakfast. In class he has to learn to keep his voice down and pay attention, but his ebullient performance at circle time is a great success. The big, bright cartoon illustrations pick up the silliness of nervous Froggy, and children will laugh at his innocence and sympathize with his jitters. *Hazel Rochman*

Users Review

From reader reviews:

Amado Spieker:

The book Froggy Goes to School can give more knowledge and information about everything you want. So just why must we leave a very important thing like a book Froggy Goes to School?
