Judicial Review Handbook: Fifth Edition By Michael Fordham

Established as an essential part of the library of any practitioner engaged in UK public law cases, the Judicial Review Handbook offers unrivaled coverage of UK administrative law, including, but not confined to, the work of the Administrative Court and its procedures. But as anyone who has used the previous editions will acknowledge, it is much more than that. The completely revised and updated fifth edition is once again structured around 63 unique legal principles supported by a compendious compilation of sources and an unequalled selection of reported case quotations. It also includes essential procedural rules, forms, and guidance issued by the Administrative Court. This edition builds on previous editions with deepened coverage of the impact on judicial review of both the UK's Civil Procedure Rules and the Human Rights Act 1998 which, at the time of the previous edition, were both new arrivals in English law. Their impact, and the plethora of cases which explore their meaning and application are fully analyzed and evaluated. Quotations from the cases are incorporated into the unique appendices of case extracts. Author Michael Fordham, a leading member of the English public law bar, was the Human Rights Lawyer of the Year 2005 and winner of the Bar Pro Bono Award 2006.

Editorial Review

Review

...remains the clearest statement on JR matters for all concerned in such proceedings...[Michael Fordham] has written the best statement of principle to extract, classify and illustrate cases which we have for issues of judicial review where the emotions run high between the public and the state: this handbook has now matured to become the institution it is today although I had a feeling it would when I used the first edition fourteen years ago for drafting, and I haven't changed my view of the help this work gives me: it is my new best JR friend. Phillip Taylor Richmond Green Chambers December 2008 .few will dispute that, as a practical tool, this book has few competitors Journal of the Commonwealth Lawyers' Association Vol. 18 No. 1

From the Publisher

Judicial review is the method by which actions of public bodies can be challenged in court. All other available remedies or appeals must be exhausted before an application for judicial review can be made. This fully revised edition presents the law and practice of judicial review collected together, deconstructed and represented in a unique format. It provides rapid access to vital sources of authority and case synopses, providing an essential guide through the huge volume of case law in this area.

About the Author

Michael Fordham QC is a Barrister and a member of Blackstone Chambers specialising in public law and human rights. He was Human Rights Lawyer of the Year 2005 and winner of the Bar Pro Bono Award 2006. He is the joint editor of Judicial Review.

Users Review

From reader reviews:

Thomas Hodge:

Information is provisions for those to get better life, information presently can get by anyone with everywhere. The information can be a know-how or any news even a concern.
