Oxford Textbook of Women and Mental Health Online (Oxford Textbooks in Psychiatry) By Dora Kohen

The *Oxford Textbook of Women and Mental Health* presents a balanced understanding of different aspects of gender and mental health. Exploring issues covering psychological, social, and cultural aspects of mental health problems, this work looks at epidemiological data that shows the increased frequency of different clinical aspects of many psychiatric disorders in women, and helps readers to appreciate the societal, parental, and personal consequences of mental health problems.

The online version of the *Oxford Textbook of Women and Mental Health* contains the full text of the print edition (which can be browsed by the contents list or searched), links from references in the text to external sources (via PubMed, ISI, and CrossRef), and all figures and illustrations from the print edition, downloadable into PowerPoint.
