**Ten Lessons in Introductory Sociology** By Kenneth A. Gould, Tammy L. Lewis

Designed to introduce students to key concepts and methods in sociology and to engage them in critical thinking, *Ten Lessons in Introductory Sociology* provides a brief and valuable overview to four major questions that guide the discipline:

- \* Why sociology?
- \* What unites us?
- \* What divides us?
- \* How do societies change?

Deftly balancing breadth and depth, the book makes the study of sociology accessible, relevant, and meaningful. Contextualizing the most important issues, *Ten Lessons* helps students discover "the sociological imagination" and what it means to be part of an engaged public discourse.
