The Question of Palestine By Edward W. Said

This original and deeply provocative book was the first to make Palestine the subject of a serious debate--one that remains as critical as ever. With the rigorous scholarship he brought to his influential *Orientalism* and an exile's passion (he is Palestinian by birth), Edward W. Said traces the fatal collision between two peoples in the Middle East and its repercussions in the lives of both the occupier and the occupied--as well as in the conscience of the West. He has updated this landmark work to portray the changed status of Palestine and its people in light of such developments as the Israeli invasion of Lebanon, the *intifada*, the Gulf War, and the ongoing Middle East peace initiative. For anyone interested in this region and its future, *The Question of Palestine* remains the most useful and authoritative account available.

Editorial Review

From Publishers Weekly

Said's controversial but instructive Palestinian interpretation of the Mideast conflict now includes a new introduction and epilogue commenting on the intifada , Gulf war and Madrid peace talks.

Copyright 1992 Reed Business Information, Inc.

Review

"A compelling call for identity and justice." --Anthony Lewis

"Books such as Mr. Said's need to be written and read in the hope that understanding will provide a better chance of survival." --*The New York Times Book Review*

From the Inside Flap

Still a basic and indispensable account of the Palestinian question, updated to include the most recent developments in the Middle East- from the intifada to the Gulf war to the historic peace conference in Madrid.

Users Review

From reader reviews:

Timothy McKinney:
