When Nietzsche Wept Preprint By Yalom

A richly evocative novel set in nineteenth-century Vienna on the eve of the birth of psychoanalysis - By the best-selling author of *Love's Executioner*. A powerful blend of truth and fiction, in the tradition of *The White Hotel* and *The Seven Percent Solution*. The story begins with a strange bargain. The eminent physician Josef Breuer has asked to treat Friedrich Nietzsche's suicidal despair after the end of a love affair - without his knowing it. Breuer himself is no stranger to despair, suffering from an obsessive and destructive passion for a former patient. He devises an ingenious approach: Using his experimental "talking cure", he will heal Nietzsche, who viewed himself as physician of culture, is forced to apply his theories to flesh-and-blood human beings in curing his own nihilism, as well as Breuer's. Irvin D. Yalom, M.D., is the author of *Love's Executioner*, *Every Day Gets a Little Closer*, and best-selling textbooks in psychotherapy. He is Professor of Psychiatry at Stanford University. He lives in Palo Alto, California.
