Editorial Review

Review

"A brilliant and provocative work of historical anthropology and a synthetic account of slavery that firmly places the subject in a comparative and longterm context... Mullin's three-part chronology of resistance and rebellion is attractive in its simplicity and flexibility." -- Southern Historian

From the Back Cover

Mullin offers new and definitive information about how Africans met and often overcame the challenges and deprivations of their new lives through religion, family life, and economic strategies.

Users Review

From reader reviews:

Margie Sutton:

In this 21st century, people become competitive in every single way. By being competitive now, people have to do something to make themselves survive, being in the middle of often the crowded place and notice by surrounding. One thing that often many people have underestimated this for a while is reading. Yep, by reading a reserve your ability to survive enhance then having chance to stand up than other is high.
