Choice and Religion: A Critique of Rational Choice Theory By Steve Bruce

People of the western world now have unprecedented freedom to choose their religion. Here, one of the world's leading sociologists of religion argues that the liberty and freedom to choose religion corrodes faith and that religion remains most vital when it is part of ethnic and national identity.

Editorial Review

Review

'The notes of the text and the bibliography will be useful to post-graduate researchers.' Douglas J. Davies, Religion Vol 31, No 1, January 2001

'open and direct style of analysis without untoward reductionism gives this book an intellectual appeal' Douglas J. Davies, Religion Vol 31, No 1, January 2001

'his account of relativism as a democratic theory of knowledge is as informative as it is expressly succinct ... some theologians will also find this a useful book when considering the relationship between doctrine and changing social worlds' Douglas J. Davies, Religion Vol 31, No 1, January 2001

'this volume will be of use for courses in the sociology of religion. It advances and does not simply rehearse arguments over secularisation and over what he calls the two master trends of modernisation, viz., cultural diversity and individual autonomy.' Douglas J. Davies, Religion Vol 31, No 1, January 2001

'I much enjoyed this book as both a critical and a creative essay in the sociology of religion' Douglas J. Davies, Religion Vol 31, No 1, January 2001

'Bruce expertly hammers in the nails with respect to secularization in Western Europe.' David Martin, TLS

'Bruce is notorious for inserting his skewer at the point of maximum leverage' David Martin, TLS

'The force of Bruce's arguments is impressive.' James A Beckford, Journal of Contemporary Religion, Vol 15.

About the Author

Steve Bruce is a Professor of Sociology at the University of Aberdeen

Users Review

From reader reviews:

Mildred Ralph:

What do you regarding book? It is not important along? Or just adding material when you really need something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this Choice and Religion: A Critique of Rational Choice Theory to read.

Ricky Dotson:
