Mathematics In Rural Appalachia: Place-Based Mathematics Lessons By Darris J. Brock, P. Mark Taylor

Water from the Well is a practical and often emotional collection of thoughts regarding the Lord's Supper. These have been used in the local congregations where the authors attend with great effectiveness. They are perfect for the busy minister, the layperson, the deacon, the elder, or just simply for devotional reading. Additionally, they are arranged in a format suitable for the entire calendar year and have a complete scriptural index. A portion of the proceeds from the book help support the Eagle's Nest Christian Academy.
