Royalty Income: The Business of Getting Paid More than Once By Steven W. Hryszczuk DO

To the disbelief of his medical colleagues, anesthesiologist Dr. Steve Hryszczuk walked away from a career in medicine to build a business in an industry known as network marketing. Why would this doctor venture into an industry that even high-school dropouts can pursue? "It's not that I needed more money," says Dr. Hryszczuk. "I needed a different kind of money." The money he is referring to is commonly known as royalty or residual income. It's an income stream that continues to flow in for years after the initial work of creating it stops. In *Royalty Income: The Business of Getting Paid More Than Once*, Dr. Hryszczuk explains how to succeed with this often-misunderstood business model. "Lots of people could do what I've done if only they knew how it really worked."
