The Cambridge History of Scandinavia, Volume 1: Prehistory to 1520 From Brand: Cambridge University Press

The various countries and communities that constitute present-day Scandinavia consider themselves as integral parts of that larger region. Denmark, Norway, Sweden, Finland, Iceland, and Greenland share a common geographic, historic and socio-cultural distinctness that differs from the rest of Europe. This "distinctness" provides the rationale for compiling a comprehensive and comparative history of Scandinavia. The first volume in the series will be followed by two others.

Editorial Review

Review

"...this work is clearly designed to permit regular consultation in library collections for many decades. Essential." Choice

"...a significant addition to the growing literature on Nordic history...an indispensable reference book for every major library. Thanks to good editing, it is highly readable and flows seamlessly from chapter to another. It is a volume not only for professional historians, but also a valuable research tool for college students and the general adult reading public." History

About the Author

Knut Helle is Professor Emeritus of Medieval History at the University of Bergen.

Users Review

From reader reviews:

Zachary Mason:
