Throne of Glass By Sarah J. Maas

In a land without magic, where the king rules with an iron hand, an assassin is summoned to the castle. She comes not to kill the king, but to win her freedom. If she defeats twenty-three killers, thieves, and warriors in a competition, she is released from prison to serve as the king's champion. Her name is Celaena Sardothien.

The Crown Prince will provoke her. The Captain of the Guard will protect her. But something evil dwells in the castle of glass--and it's there to kill. When her competitors start dying one by one, Celaena's fight for freedom becomes a fight for survival, and a desperate quest to root out the evil before it destroys her world.

Editorial Review

Amazon.com Review

Amazon Best Teen Book of the Month, August 2012: Adarlan's Assassin was the most feared killer in the world--until she was captured and sent to a prison labor camp to rot. But when the Prince needs a skilled fighter to battle in the royal court and become the King's Champion, he pulls the assassin out of prison only to find she is a blonde 18-year-old girl. Celaena is as beautiful as she is deadly and she jumps at the chance to earn her freedom. Her mission seems straightforward: be the last (wo)man standing at the end of the competition. What she doesn't expect is to develop feelings for the two men protecting her and to make an unlikely ally in a princess. Sarah J. Maas' debut is stunning from beginning to end. *Throne of Glass* stands out because of its memorable setting (there is actually a castle made of glass), strong characters, and continuous heart-stopping action sequences. Celaena is a heroine as memorable for her fighting abilities as she is for her quick wit and large heart and I can't wait to see her grow and change throughout this exciting new series. --*Caley Anderson*

From School Library Journal

Gr 9 Up-Celaena Sardothien may be young in years, but she has seen more than most men twice her age. She was raised to be an assassin and until her capture and imprisonment in the salt mines of Endovier, she was known as the Assassin of Adarlan and feared the world over. No one lasts long in the mines, and when she is offered the possibility of release in exchange for a mandatory, four-year conscription as a hired assassin to the king who conquered and enslaved her people, she has no choice but to comply and play a brutal game to win back the chance at freedom. In order to succeed she needs to outfight, outplay, and outlast 23 men in a competition that many would not survive. There are other forces at work as well: an ancient and outlawed magic that she doesn't understand; fellow competitors turning up murdered; and the three very different men who are attracted to her and frightened by her. Maas has created a strong and sympathetic character in Celaena, who is able to best men in a fight but is laid low by the return of her monthly cycle. The world-building is complex, as is the political intrigue. Fans of Tamora Pierce will find a lot to love here and will wait eagerly for the next installment.-Genevieve Gallagher, Charlottesville High School, VA(c) Copyright 2011. Review

"Readers seeking the political intrigue of Kristen Cashore's *Graceling* and its sequels or the deadly competition at the heart of *The Hunger Games* will find both in Maas's strong debut novel. . . . The verve and freshness of the narration make for a thrilling read." ?*Publishers Weekly, starred review*

"A teenage assassin, a rebel princess, menacing gargoyles, supernatural portals and a glass castle prove to be as thrilling as they sound. . . . Celaena is still just a teenager trying to forge her way, giving the story timelessness. This commingling of comedy, brutality and fantasy evokes a rich alternate universe with a spitfire young woman as its brightest star." ?*Kirkus Reviews*

"*Throne of Glass* by Sarah J. Maas is a tale full of surprises and shadows, where deadly seeds are sown with the promise of more danger to come. A fascinating glimpse into the dark side of Cinderella." ?*Colleen Houck, the NYT Bestselling author of the Tiger's Curse series*

Users Review

From reader reviews:

Jimmy Torres:

This Throne of Glass is great guide for you because the content and that is full of information for you who always deal with world and still have to make decision every minute. This book reveal it info accurately using great arrange word or we can declare no rambling sentences inside. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with attractive delivering sentences. Having Throne of Glass in your hand like having the world in your arm, information in it is not ridiculous one. We can say that no publication that offer you world inside ten or fifteen minute right but this reserve already do that. So , this is certainly good reading book. Hi Mr. and Mrs. active do you still doubt that will?

Sharon Wilson:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Throne of Glass can make you truly feel more interested to read.

Jean Proffitt:

What is your hobby? Have you heard that will question when you got scholars? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person such as reading or as studying become their hobby. You need to know that reading is very important in addition to book as to be the matter. Book is important thing to increase you knowledge, except your own teacher or lecturer. You see good news or update regarding something by book. Numerous books that can you decide to try be your object. One of them is Throne of Glass.

Lorraine Paisley:

Reading a book make you to get more knowledge from that. You can take knowledge and information from a book. Book is composed or printed or highlighted from each source which filled update of news. On this modern era like today, many ways to get information are available for an individual. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just looking for the Throne of Glass when you needed it?
