**American Popular Music: From Minstrelsy to MP3 Includes two CDs** By Larry Starr, Christopher Waterman

In *American Popular Music: From Minstrelsy to MP3*, Second Edition, Larry Starr and Christopher Waterman examine popular music in the United States from its beginnings into the 21st century, offering a comprehensive look at the music, the cultural history of the times, and the connections between them. Using well-chosen examples, insightful commentaries, and an engaging writing style, this text traces the development of jazz, blues, country, rock, Motown, hip-hop, and other popular styles, highlighting the contributions of diverse groups to the creation of distinctly American styles. It combines an in-depth treatment of the music itself--including discussions of stylistic elements and analyses of musical examples--with solid coverage of the music's attendant historical, social, and cultural circumstances. The authors incorporate **strong pedagogy** including numerous boxed inserts on significant individuals, recordings, and intriguing topics; coverage of early American popular music; and a rich illustration program. **Detailed listening charts** explain the most important elements of recordings discussed at length in the text. The charts are complemented by **two in-text audio CDs** and--new to this edition--an iMix published at iTunes, which makes most of the songs immediately available to students and instructors.

### Features of the Second Edition

- \* Integrates full color throughout
- \* Provides more coverage of women artists, with new material on women in rock 'n' roll in Chapter 8 and a box on Queen Latifah in Chapter 14
- \* Reorganizes the discussion of post-1970s music: disco is now included with mainstream 70s pop, while hip-hop is treated in two chapters (12 and 14) in order to emphasize its significance and diversity
- \* Adds new material on the recent alternative country music explosion
- \* Includes new developments in music technology in the thoroughly revised concluding chapter
- \* Offers revised and more vivid visual elements, including more than 100 new photos (most in full color) and an illustrated timeline
- \* Provides redesigned listening guides, enhanced by an iMix published at iTunes (accessible at [www.oup.com/us/popmusic](http://www.oup.com/us/popmusic))

\* Supplemented by a Companion Website at [www.oup.com/us/popmusic](http://www.oup.com/us/popmusic) (containing both student and instructor resources) and an Instructor's Manual and a Computerized Test Bank on CD  
\* FREE with the purchase of this book: a 6-month subscription to Grove Music Online ([www.grovemusic.com](http://www.grovemusic.com))--a \$180 value

Remarkably accessible, *American Popular Music*, Second Edition, is ideal for courses in American Popular Music, the History of Popular Music, Popular Music in American Culture, and the History of Rock 'n' Roll. Its welcoming style and warm tone will captivate readers, encouraging them to become more critically aware listeners of popular music.

### **Editorial Review**

#### Review

"A new textbook that makes music history fun."--Steve Ramm, In the Groove

"This book is far and away the best on the topic. I can think of no competitor that comes close to its accessibility and thoroughness."--Louis Niebur, University of Nevada, Reno

"This text engages students on their own 'turf,' so to speak, drawing parallels between past and present-day musical genres and providing fascinating discussions of technological advances crucial to the development of popular music. It prompts students to consider the historical and contemporary sociocultural factors that undergird racial constructions and shape the ways in which American popular music has been created and consumed in the United States and abroad."--Melvin Butler, University of Virginia

"A tremendous accomplishment. A vast array of styles and contexts are skillfully brought together in a coherent and thoroughly readable narrative, and the authors' delight in their subject matter is palpable on every page. For the student, teacher, or general reader interested in pop, this book unquestionably becomes the definitive survey text."--Daniel Sonenberg, University of Southern Maine, in the Institute for Studies in American Music Newsletter (on the previous edition)

#### About the Author

Larry Starr is at University of Washington. Christopher Waterman is at UCLA.

### **Users Review**

#### **From reader reviews:**

##### **Heather Sessoms:**

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, exactly what the best subject for that?
