Capitalism: The Unknown Ideal By Ayn Rand, Nathaniel Branden, Alan Greenspan, Robert Hessen

In this series of essays, Ayn Rand presents her stand on the persecution of big business, the causes of war, the default of conservatism, and the evils of altruism.

The foundations of capitalism are being battered by a flood of altruism, which is the cause of the modern world's collapse. This is the view of Ayn Rand, a view so radically opposed to prevailing attitudes that it constitutes a major philosophic revolution. Here is a challenging new look at modern society by one of the most provocative intellectuals on the American scene.

This edition includes two articles by Ayn Rand that did not appear in the hardcover edition: "The Wreckage of the Consensus," which presents the Objectivists' views on Vietnam and the draft; and "Requiem for Man," an answer to the Papal encyclical *Progresso Populorum*.

Editorial Review

Review

“One of the most revolutionary and powerful works on capitalism—and on politics—that has ever been published.”—Professor Leonard Peikoff, *Barron's* magazine

About the Author

Born February 2, 1905, **Ayn Rand** published her first novel, *We the Living*, in 1936. *Anthem* followed in 1938. It was with the publication of *The Fountainhead* (1943) and *Atlas Shrugged* (1957) that she achieved her spectacular success. Rand's unique philosophy, Objectivism, has gained a worldwide audience. The fundamentals of her philosophy are put forth in three nonfiction books, *Introduction to Objectivist Epistemology*, *The Virtues of Selfishness*, and *Capitalism: The Unknown Ideal*. They are all available in Signet editions, as is the magnificent statement of her artistic credo, *The Romantic Manifesto*.

Users Review

From reader reviews:

Robert Rios:

This Capitalism: The Unknown Ideal book is simply not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is definitely information inside this publication incredible fresh, you will get details which is getting deeper a person read a lot of information you will get. This Capitalism: The Unknown Ideal without we know teach the one who looking at it become critical in contemplating and analyzing. Don't be worry Capitalism: The Unknown Ideal can bring once you are and not make your case space or bookshelves' come to be full because you can have it with your lovely laptop even cell phone. This Capitalism: The Unknown Ideal having very good arrangement in word in addition to layout, so you will not sense uninterested in reading.

Phillip Herzog:

The book Capitalism: The Unknown Ideal has a lot of information on it. So when you make sure to read this book you can get a lot of advantage. The book was compiled by the very famous author. The author makes some research ahead of write this book. This particular book very easy to read you can obtain the point easily after perusing this book.

Vicky Penn:

Reading can called mind hangout, why? Because when you find yourself reading a book mainly book entitled Capitalism: The Unknown Ideal your thoughts will drift away trough every dimension, wandering in each aspect that maybe unidentified for but surely can become your mind friends. Imaging just about every word written in a publication then become one web form conclusion and explanation this maybe you never get prior to. The Capitalism: The Unknown Ideal giving you an additional experience more than blown away

your head but also giving you useful info for your better life on this era. So now let us teach you the relaxing pattern this is your body and mind will probably be pleased when you are finished looking at it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

Jesus Moreno:

This Capitalism: The Unknown Ideal is great publication for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. This book reveal it details accurately using great organize word or we can claim no rambling sentences inside it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but challenging core information with splendid delivering sentences. Having Capitalism: The Unknown Ideal in your hand like obtaining the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world inside ten or fifteen second right but this guide already do that. So , this is good reading book. Hey Mr. and Mrs. busy do you still doubt which?
