Yoga and the Hindu Tradition By Jean Varenne

A popular and critical success when it first appeared in France, *Yoga and the Hindu Tradition* has freed Yoga from the common misconceptions of the recent Yoga vogue. Jean Varenne, the distinguished French Orientalist, presents the theory of classical Yoga, in all its richness, as a method—a concrete way to reach the Absolute through spiritual exercises—which makes possible the transition from existence to essence.

This excellent translation, including line drawings and charts, a glossary of technical terms, and a complete translation of the *Yoga Darshana Upanishad*, begins with a brief description of the metaphysical and religious history on which Yoga is based. Varenne discusses the theoretical conception of Yoga as the search for liberating knowledge, concluding with a brief indication of the physical practices and extra Yogic themes such as Kundalini and Tantrism. It is the author's hope that "those who read [this book] will come to realize that it is in fact dishonest to reduce Yoga to some sort of physical training, or to just an occult doctrine; it is a 'world view' a *Weltanschauung* that comprehends reality in its totality."

"The straightforward, well-organized presentation makes the book itself a microcosm of what Varenne singles out as a dominant feature of classical Hindu thought—a bringing of the complex and multitudinous into a unity."—Judith Guttman, *Yoga Journal*

Editorial Review

From the Back Cover

A popular and critical success when it first appeared in France, *Yoga and the Hindu Tradition* has freed Yoga from the common misconceptions of the recent Yoga vogue. Jean Varenne, the distinguished French Orientalist, presents the theory of classical Yoga, in all its richness, as a method--a concrete way to reach the Absolute through spiritual exercises--which makes possible the transition from existence to essence.

Users Review

From reader reviews:

Betty Ahlstrom:

What do you concentrate on book? It is just for students because they are still students or it for all people in the world, the actual best subject for that? Just you can be answered for that concern above. Every person has various personality and hobby for every other. Don't to be pushed someone or something that they don't wish do that. You must know how great as well as important the book *Yoga and the Hindu Tradition*. All type of book are you able to see on many methods. You can look for the internet options or other social media.

Ronald Johnson:

This *Yoga and the Hindu Tradition* book is not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is information inside this guide incredible fresh, you will get information which is getting deeper anyone read a lot of information you will get. This kind of *Yoga and the Hindu Tradition* without we realize teach the one who examining it become critical in thinking and analyzing. Don't become worry *Yoga and the Hindu Tradition* can bring if you are and not make your carrier space or bookshelves' grow to be full because you can have it with your lovely laptop even mobile phone. This *Yoga and the Hindu Tradition* having great arrangement in word along with layout, so you will not experience uninterested in reading.

Hayden Wright:

A lot of book has printed but it differs from the others. You can get it by online on social media. You can choose the best book for you, science, witty, novel, or whatever through searching from it. It is referred to as of book *Yoga and the Hindu Tradition*. You can include your knowledge by it. Without leaving the printed book, it could possibly add your knowledge and make you actually happier to read. It is most important that, you must aware about e-book. It can bring you from one place to other place.

Tara Payton:

Guide is one of source of understanding. We can add our knowledge from it. Not only for students but native

or citizen require book to know the upgrade information of year to help year. As we know those textbooks have many advantages. Beside most of us add our knowledge, also can bring us to around the world. With the book Yoga and the Hindu Tradition we can acquire more advantage. Don't you to be creative people?
