

A New Handbook of Literary Terms

By David Mikics

A New Handbook of Literary Terms By David Mikics

A New Handbook of Literary Terms offers a lively, informative guide to words and concepts that every student of literature needs to know. Mikics's definitions are essayistic, witty, learned, and always a pleasure to read. They sketch the derivation and history of each term, including especially lucid explanations of verse forms and providing a firm sense of literary periods and movements from classicism to postmodernism. The *Handbook* also supplies a helpful map to the intricate and at times confusing terrain of literary theory at the beginning of the twenty-first century: the author has designated a series of terms, from New Criticism to queer theory, that serves as a concise but thorough introduction to recent developments in literary study.

Mikics's *Handbook* is ideal for classroom use at all levels, from freshman to graduate. Instructors can assign individual entries, many of which are well-shaped essays in their own right. Useful bibliographical suggestions are given at the end of most entries. The *Handbook*'s enjoyable style and thoughtful perspective will encourage students to browse and learn more. Every reader of literature will want to own this compact, delightfully written guide.

Editorial Review

From [Booklist](#)

Author Mikics stakes a claim in what he acknowledges is a crowded field with this collection of literary terms that are "crucial for students to know." Entries cover forms, genres, movements, periods, and theories, among other topics. Especially useful are the bibliographical examples and suggestions contained in most entries. For instance, Gothic refers to examples ranging from Horace Walpole's *Castle of Otranto* to the movie *Psycho* and the television series *Buffy the Vampire Slayer* in addition to several important critical works on the genre. Emphasis is on the European tradition. Quinn, Mary Ellen

Review

"It is aimed at a spread of abilities, and manages to be all things to all readers. I found it good to read—as enjoyable as any theoretical manuscript I've read."—Alastair Fowler, University of Edinburgh
(Alastair Fowler)

"A very learned and refreshingly lively handbook."—Ian Balfour, York University
(Ian Balfour)

"Very few books give much more than they promise. Mikics's *New Handbook* is superbly generous in offering vast stores of insight and information. It is an exuberant introduction to all of Western literature and criticism."—Harold Bloom

(Harold Bloom)

About the Author

David Mikics is professor of English at the University of Houston. He is the author of several books, including *Who Was Jacques Derrida?*, *The Limits of Moralizing*, and *The Romance of Individualism in Emerson and Nietzsche*. He lives in Houston.

Users Review

From reader reviews:

Olga Noone:
