MyPoliSciLab should only be purchased when required by an instructor.

For courses in Introduction to Comparative Politics

A Critical View of International Political Systems

Countries and Concepts: Politics, Geography, Culture is a critical examination of comparative politics and political systems. The text rejects theories of smoothly functioning systems and embraces the mistakes that countries inevitably make, taking a skeptical approach to understanding international political systems. The **Thirteenth Edition** is an easy-to-read text that stresses fundamental vocabulary and connects the material to real world examples. Understanding politics as a series of ongoing quarrels for which no good solution has been found, the material views international political systems through a dubious lens. This undeniably real examination of our political world makes *Countries and Concepts* the most accurate examination of politics' true nature.

Also available with MyPoliSciLab

MyPoliSciLab for Comparative Politics courses extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please

Users Review

From reader reviews:

Arthur Johnson:

What do you in relation to book? It is not important along? Or just adding material if you want something to explain what the one you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They should answer that question mainly because just their can do that. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need this Countries and Concepts: Politics, Geography, Culture (13th Edition) to read.

Larry Mason:

The reason? Because this Countries and Concepts: Politics, Geography, Culture (13th Edition) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will zap you with the secret that inside. Reading this book alongside it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking method. So , still want to hold up having that book? If I had been you I will go to the publication store hurriedly.

Caroline Gonzalez:

Do you have something that you enjoy such as book? The publication lovers usually prefer to opt for book like comic, limited story and the biggest some may be novel. Now, why not trying Countries and Concepts: Politics, Geography, Culture (13th Edition) that give your fun preference will be satisfied by simply reading this book. Reading habit all over the world can be said as the way for people to know world better then how they react when it comes to the world. It can't be said constantly that reading habit only for the geeky man or woman but for all of you who wants to possibly be success person. So , for all you who want to start looking at as your good habit, it is possible to pick Countries and Concepts: Politics, Geography, Culture (13th Edition) become your personal starter.

Brandon Giles:

A lot of people said that they feel bored when they reading a publication. They are directly felt the item when they get a half elements of the book. You can choose the actual book Countries and Concepts: Politics, Geography, Culture (13th Edition) to make your current reading is interesting. Your own skill of reading ability is developing when you just like reading. Try to choose simple book to make you enjoy to read it and mingle the sensation about book and reading through especially. It is to be initial opinion for you to like to open up a book and go through it. Beside that the guide Countries and Concepts: Politics, Geography, Culture (13th Edition) can to be your friend when you're experience alone and confuse in doing what must you're doing of the time.
