Every Little Step: My Story By Bobby Brown, Nick Chiles

NEW YORK TIMES BESTSELLER

In *Every Little Step*, Brown will for the first time tell the full story of his life and set the record straight, particularly about his relationship with Whitney Houston.

Bobby Brown has been one of the most compelling American artists of the past thirty years, a magnetic and talented figure who successfully crossed over many musical genres, including R&B and hip hop, as well as the mainstream. In the late 1980s, the former front man of New Edition had a wildly successful solo career—especially with the launch of *Don't Be Cruel*—garnering multiple hits on the Billboard top ten list, as well as several Grammy, American Music, and Soul Train awards. But Brown put his career on hold to be with the woman he loved—American music royalty Whitney Houston. The marriage between Brown and Houston was perhaps the most closely watched and talked about marriage of the 1990s—a pairing that obsessed the public and the gossip industry. Now, for the first time, the world will be able to hear the truth from the mouth of America's "bad boy" himself. Raw and powerful, *Every Little Step* is the story of a man who has been on the top of the mountain and in the depths of the valley and who is now finally ready to talk about his career and family life, from the passion and the excess to his creative inspirations and massive musical success.

On the process of writing this book, Bobby says, "Right after I signed on to write my story, I went through one of the most agonizing traumas I had ever experienced with the death of my daughter. But I was surprised by how therapeutic it was to work on this project, to look at the entire arc of my life and to realize that although there has been considerable pain, I have also been incredibly blessed. I hope my fans and other readers of this book will be entertained by this trip into the crazy, exciting, fascinating world of Bobby Brown. And I hope they will feel that I have been as honest and open with them in these pages as I have tried to be my entire life."

Editorial Review

From the Back Cover

Bobby Brown, the singer, dancer, and all-around amazing performer, first became famous at the age of fourteen as a part of the Boston group New Edition. But it was his solo career and the release of his 1988 album, *Don't Be Cruel*, with its chart-topping title track, as well as hit songs "My Prerogative" and "Every Little Step," that made him infamous. As he toured the world, wowing fans, scoring hit after hit, earning millions, Brown found himself the fodder of tabloids. When he married the most celebrated singer in the world at the time, pop princess Whitney Houston, he began a life under a microscope. The couple's every move was tracked, and jaw-dropping stories were told about drug addiction, physical violence, and worse, with Brown always cast as the villain. Forever branded, Brown was trapped in a spiral of rage against the media and drug addiction, fighting for the will to get himself clean and keep his family together.

Now the man behind the misconceptions, rumors, and lies bares his soul. In this honest, raw, and at times heartbreaking account, Brown tells the truth of his life. *Every Little Step* is the story of a kid growing up in the projects of Boston, always on the move and always looking for an audience. Brown reveals what really happened when he left New Edition to launch his solo career and tales of his relationships with some of the most prominent pop divas in the world, including intimate details of his marriage to Houston that describe the purity of their love and the devastation he felt as it crumbled. Most poignantly, he finally speaks about losing his beloved daughter Bobbi Kristina. And through it all, Brown shows himself to be a family man, devoted to his children and his wife; a man who cared for both of his parents right up until their deaths; and a man who can admit where he faltered, but had the strength to stand up again.

I became famous with New Edition when I was just fourteen.

As a solo artist, I released an album before my twentieth birthday that many have noted as altering the course of R & B music. In my twenties, I fell in love with the biggest music star on the planet. Our marriage kept more than a few gossip tabloids in business.

I am still trying to grapple with the incredible pain and trauma of losing my daughter.

But despite my three decades in the harsh media glare, the public has never really heard my story. What Bobby Brown is thinking, what he's doing, what he did do, what he didn't do.

Early on, I cemented my reputation as "the bad boy of R & B." And it stuck. But now that label feels too one-dimensional. I feel like I owe it to myself and the ones I love, and will always love, to be honest.

I want to tell the real story.

Nick Chiles is a Pulitzer Prize-winning journalist and author or co-author of 14 books, including three New York Times bestsellers. He lives in Atlanta with his wife and children.

Users Review

From reader reviews:

Marjorie Ingram:

What do you about book? It is not important together with you? Or just adding material when you require something to explain what you problem? How about your spare time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everyone has many questions above. The doctor has to answer that question because just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this kind of Every Little Step: My Story to read.

Kevin Mabry:

Reading a guide can be one of a lot of activity that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a e-book will give you a lot of new information. When you read a e-book you will get new information since book is one of a number of ways to share the information or even their idea. Second, looking at a book will make a person more imaginative. When you reading through a book especially tale fantasy book the author will bring someone to imagine the story how the figures do it anything. Third, you can share your knowledge to other folks. When you read this Every Little Step: My Story, you are able to tells your family, friends in addition to soon about yours publication. Your knowledge can inspire the mediocre, make them reading a reserve.

Paul Williams:

Your reading sixth sense will not betray you, why because this Every Little Step: My Story book written by well-known writer who really knows well how to make book which might be understand by anyone who all read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your personal hunger then you still hesitation Every Little Step: My Story as good book not merely by the cover but also from the content. This is one guide that can break don't determine book by its include, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Mildred Shaw:

That publication can make you to feel relax. This particular book Every Little Step: My Story was bright colored and of course has pictures on there. As we know that book Every Little Step: My Story has many kinds or style. Start from kids until young adults. For example Naruto or Investigation company Conan you can read and think you are the character on there. Therefore not at all of book are make you bored, any it offers you feel happy, fun and unwind. Try to choose the best book to suit your needs and try to like reading that will.
