Mick Harte Was Here By Barbara Park

An award-winning, heartrending young middle grade novel from Barbara Park—the #1 *New York Times* bestselling author of the Junie B. Jones series—just right for readers of *Frindle*, *Love That Dog*, *The Lemonade War*, and other classic young middle grade favorites.

Kids aren't supposed to die.

Phoebe's brother, Mick, was one of the funniest, coolest kids you'd ever meet—the kid who made you laugh until your stomach hurt, even if you were mad at him. The kid who freaked his and Phoebe's mom out by putting a ceramic eye in a defrosted chicken; who went trick-or-treating as Thomas Crapper, the inventor of the modern-day flush toilet; who did a wild solo dance in front of the entire school. He was the kid you'd want to be friends with. So how can he be gone? And how will Phoebe's family survive without him?

Editorial Review

From Publishers Weekly

"I don't want to make you cry. I just want to tell you about Mick. But I thought you should know right up front that he's not here anymore. I just thought that would be fair." Phoebe, the eighth-grade narrator of Park's (*Buddies; Don't Make Me Smile*) heart-wrenching novel, weaves together diverting anecdotes about her endearingly eccentric brother with her reactions, and those of her parents, to his death in a bicycle accident at the age of 12. The genius of this novel is Park's ability to make the events excruciatingly real while entirely avoiding the mawkish; likable Phoebe's frank, at times even funny narration will leave readers feeling as though they've known the girl-and Mick-for a very long time. Park's ability to convey so affectingly both the individual and collective pain of this family's members is remarkable. She focuses on small moments-the father closing the door to Mick's room upon returning from the hospital; the mother covering her ears because she cannot bear Phoebe's talk about her brother. But the novel has another crucial dimension in that it stresses the importance of wearing bike helmets. Midway through the story, in response to Phoebe's misplaced sense of guilt, Phoebe's father introduces the subject: "He heaved a God-awful sigh and whispered, 'If only I had made him wear his helmet.'" The message is skillfully reprised toward the conclusion, in a powerful scene in which Phoebe overcomes her own pain and anger to participate in a school assembly on bicycle safety. An author's note at the end reinforces the message. To Park's great credit, the lesson never dominates-the story reads not as a cautionary tale, but as a full-fledged and fully convincing drama. Ages 8-12.

Gr. 5-7. Park turns her wry eye on a serious subject, the death of a sibling. With love, wit, and anger, 13-year-old Phoebe Harte describes her brother, Mick, and the effect his death has on the family. It is a bike accident that kills Mick, and Park does an excellent job of capturing the shock and dissociation that a sudden death can cause in survivors. There's so much here that rings true: what friends can (and cannot) do, the inevitable rantings against God, and the seesaw emotions experienced by the whole family. Where Park goes a bit over the top is in her description of Mick, a real wisecracker, who puts a ceramic eye in a defrosted chicken and goes trick-or-treating as Thomas Crapper, inventor of the toilet. Not that this isn't funny stuff, but Park's inflation of Mick oddly diminishes him. Still, there is a sea of real emotions here, and readers, whether they've been touched by death or not, will find themselves touched by this book. Park's author's-note plea for kids to wear bike helmets (such a helmet could have saved Mick) may now fall on responsive ears. *Ilene Cooper*
