Rewrite 2nd Edition: A Step-by-Step Guide to Strengthen Structure, Characters, and Drama in your Screenplay By Paul Chitlik

Legendary screenwriting instructor and award-winning writer Paul Chitlik presents an easy-to-read, step-by-step process to take your script from first draft to submission draft. He reveals the hidden structure of screenplays, sequences, and scenes, as he guides you through the process of examining your draft, restructuring it, and populating it with believable, complex, and compelling characters. Along the way he outlines how to make your action leap off the page and your dialogue crackle. While the first edition was widely used in film school rewriting classes, it was also recommended as an introduction to screenwriting craft by a number of professors and professionals. Paul Chitlik has included, for the second edition, more examples, exercises, and applications for television, the web, and other media, using a wide range of citations in film, television, and the Internet to underline his approach.
