**Sears and Zemansky's University Physics, Vol. 2, 13th Edition** By Hugh D. Young, Roger A. Freedman

*University Physics Volume 2 (Chapters 21-37), 13/e* continues to set the benchmark for clarity and rigor combined with effective teaching and research-based innovation.

*University Physics* is known for its uniquely broad, deep, and thoughtful set of worked examples—key tools for developing both physical understanding and problem-solving skills. The Thirteenth Edition revises all the Examples and Problem-Solving Strategies to be more concise and direct while maintaining the Twelfth Edition's consistent, structured approach and strong focus on modeling as well as math. To help students tackle challenging as well as routine problems, the Thirteenth Edition adds Bridging Problems to each chapter, which pose a difficult, multiconcept problem and provide a skeleton solution guide in the form of questions and hints.

The text's rich problem sets—developed and refined over six decades—are upgraded to include larger numbers of problems that are biomedically oriented or require calculus. The problem-set revision is driven by detailed student-performance data gathered nationally through MasteringPhysics<sup>®</sup>, making it possible to fine-tune the reliability, effectiveness, and difficulty of individual problems.

Complementing the clear and accessible text, the figures use a simple graphic style that focuses on the physics. They also incorporate explanatory annotations—a technique demonstrated to enhance learning.

This text is available with MasteringPhysics—the most widely used, educationally proven, and technically advanced tutorial and homework system in the world only if you order the valuepack listed below.

This volume contains Chapters 21-37 of the main text.

**The above ISBN 0321751213 9780321751218 University Physics Volume 2**

**(Chapters 21-37), 13/e is just for the standalone book Chapters 21-37,**

**If you want the Book(Chapters 21-37(only))/Access Card please order:**

0321778251 / 9780321778253 University Physics Volume 2 (Chs. 21-37) & MasteringPhysics® with Pearson eText Student Access Code Card Package

Package consists of:

0321741269 / 9780321741264 MasteringPhysics® with Pearson eText Student Access Code Card for University Physics

0321751213 / 9780321751218 University Physics Volume 2 (Chs. 21-37)

If you want the complete book (only) order ISBN 0321696867 9780321696861 University Physics with Modern Physics, 13/e

If you want the Complete Book and Access Card

0321675460 / 9780321675460 University Physics with Modern Physics with MasteringPhysics®

Package consists of

0321696867 / 9780321696861 University Physics with Modern Physics(complete book)

0321741269 / 9780321741264 MasteringPhysics® with Pearson eText Student Access Code Card for University Physics (ME component)

### **Editorial Review**

### **Users Review**

#### **From reader reviews:**

#### **Lillian Owensby:**

Throughout other case, little folks like to read book Sears and Zemansky's University Physics, Vol. 2, 13th Edition. You can choose the best book if you want reading a book. As long as we know about how is important any book Sears and Zemansky's University Physics, Vol. 2, 13th Edition. You can add know-how and of course you can around the world by way of a book. Absolutely right, because from book you can realize everything! From your country right up until foreign or abroad you can be known. About simple issue until wonderful thing it is possible to know that. In this era, we are able to open a book or searching by internet product. It is called e-book. You may use it when you feel uninterested to go to the library. Let's go through.

#### **Lynnette Jennings:**

This Sears and Zemansky's University Physics, Vol. 2, 13th Edition book is just not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book will be information inside this reserve incredible fresh, you will get info which is getting deeper anyone read a lot of information you will get. That Sears and Zemansky's University Physics, Vol. 2, 13th Edition without we comprehend teach the one who studying it become critical in imagining and analyzing. Don't become worry Sears and Zemansky's University Physics, Vol. 2, 13th Edition can bring once you are and not make your bag space or bookshelves' turn out to be full because you can have it in the lovely laptop even cell phone. This Sears and Zemansky's University Physics, Vol. 2, 13th Edition having fine arrangement in word along with layout, so you will not experience uninterested in reading.

#### **Suzanne Mitchell:**

Don't be worry for anyone who is afraid that this book will filled the space in your house, you might have it in e-book technique, more simple and reachable. This particular Sears and Zemansky's University Physics, Vol. 2, 13th Edition can give you a lot of good friends because by you considering this one book you have issue that they don't and make you more like an interesting person. This specific book can be one of a step for you to get success. This e-book offer you information that probably your friend doesn't learn, by knowing more than other make you to be great persons. So , why hesitate? Let me have Sears and Zemansky's University Physics, Vol. 2, 13th Edition.

**Joan Toon:**

Reading a guide make you to get more knowledge from that. You can take knowledge and information from your book. Book is created or printed or descriptive from each source this filled update of news. In this particular modern era like now, many ways to get information are available for you. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just searching for the Sears and Zemansky's University Physics, Vol. 2, 13th Edition when you essential it?
