### The Afterlife Interviews: Volume II By Jeffrey a. Marks

What is life REALLY like on the Other Side? What could possibly be waiting for us when our time on earth is over? What does it mean for our lives today? Spiritual medium and researcher Jeffrey Marks set out to find the answers. Starting with a list of 52 questions regarding the nature of life on the Other Side, Jeffrey went directly to the spirits for answers. Using an analytical approach, Jeffrey recorded 14 mediumship sessions with individuals from various faiths and backgrounds, and interviewed their friends and loved ones from the Other Side. The result is the most direct and accessible description of the nature of the afterlife -- revealing that LOVE is the cornerstone. If taken to heart, the spirits' answers could profoundly enhance our lives here on earth through greater compassion toward ourselves and others. Continue the journey in Volume II of THE AFTERLIFE INTERVIEWS series and hear directly from those on the Other Side regarding Questions 24 to 52: access to universal knowledge; survival of animal souls; the afterlife environment; afterlife occupations; service and exchange; spirit guides and angels; existence of the prophets; role of earthly religion; fate of the evil; fate of suicides; near-death visions; judgment and end times; the spirits' views of God; and much, much more. We will all get there someday. The spirits have spoken. Are we ready to listen? Jeffrey A. Marks is a spiritual medium and researcher, paranormal investigator, and award-winning author of *Your Magical Soul: How Science and Psychic Phenomena Paint a New Picture of the Self and Reality*. Jeffrey is a dynamic educator and speaker on spiritual potential and the multidimensionality of consciousness. Volume I of *The Afterlife Interviews* is an Amazon Bestseller and has helped many people effectively deal with the loss of their loved ones and expand their views of consciousness. Jeffrey is a compassionate voice for the spirits, and has connected for both individuals and groups in the Pacific Northwest. As a medium, he is known for his humble authenticity, by sitters and spirits alike. Jeffrey is a member and past president of the Washington State Ghost Society.
