The Beach House By Jane Green

From the author of *Jemima J* and *Falling* comes the *New York Times* bestseller about finding your place in the place you call home.

Ever since her life took an unexpected turn, Nan Powell has enjoyed living alone on the sun-drenched shores of Nantucket. At sixty-five, she's just as likely to be found at Windermere, her beach front home, as she is skinny dipping in her neighbor's pool. But when the money she thought would last forever starts to dwindle, Nan decides to do something drastic to keep hold of her free-spirited life: open up Windermere to strangers.

After placing an ad for summer rentals touting water views, direct access to the beach, and a sexagenarian roommate, Nan's once quiet house is soon full of noise, laughter, and the occasional bout of tears. Between her eclectic new tenants and the sudden return of her son, Nan gets a taste of what life is like when you have someone to care for besides yourself. But just as she starts to happily settle in to her new existence, the arrival of a visitor from her past threatens to turn everyone's lives upside down...

Sixty-five-year-old Nan Powell has lived comfortably and happily in Nantucket since the suicide of her husband, Everett, so she is thrown for a loop when she learns that she is in danger of losing her beloved house. After weighing her options, Nan decides to turn her home into a bed-and-breakfast. The guests she gets for the summer are all at a crossroads in their lives in one way or another. Daniel has just separated from his wife and is facing something he has denied for years; Daff is recovering from the heartbreak of a divorce and getting a much-needed break from her anger-filled 13-year-old daughter; and Nan's son Michael is on the run from a disastrous affair. Nan finds herself opening up to her guests and enjoying their company, but she is shocked when she discovers a person close to one of them has a startling connection to her. Peopled with likable, flawed, realistic characters and moving seamlessly between them, this is Green's best novel in years, a compelling, unputdownable read. --Kristine Huntley
