The Coming of Hoole: Guardians of Ga'Hoole, Book 10 By Kathryn Lasky

A tale of chaos, betrayal, and nachtmagen unfolds in the second of three ancient legends. It is no idle history, for hidden in its pages are the truths about the great promise-and great danger-that lies just ahead for the Guardians. And so Soren, Coryn, and the members of the Band read on....

A grizzled collier will tend a young prince in exile. An owl who would be monk will don battle claws. A mother who is also a queen will raise an army. And under the shower of embers in the shadow of the Sacred Volcanoes, a king will be born-or die.
