Jellicoe Road By Melina Marchetta

"What do you want from me?" he asks. What I want from every person in my life, I want to tell him. More.

Abandoned by her mother on Jellicoe Road when she was eleven, Taylor Markham, now seventeen, is finally being confronted with her past. But as the reluctant leader of her boarding school dorm, there isn't a lot of time for introspection. And while Hannah, the closest adult Taylor has to family, has disappeared, Jonah Griggs is back in town, moody stares and all.

In this absorbing story by Melina Marchetta, nothing is as it seems and every clue leads to more questions as Taylor tries to work out the connection between her mother dumping her, Hannah finding her then and her sudden departure now, a mysterious stranger who once whispered something in her ear, a boy in her dreams, five kids who lived on Jellicoe Road eighteen years ago, and the maddening and magnetic Jonah Griggs, who knows her better than she thinks he does. If Taylor can put together the pieces of her past, she might just be able to change her future.

Editorial Review

From School Library Journal

Grade 8 Up—For years, three factions—Townies, Cadets (city kids doing a six-week outdoor education program), and Jellicoe School students—have engaged in teen war games in the Australian countryside, defending territorial borders, negotiating for assets, and even taking hostages. Taylor Markham, a 17-year-old who was abandoned years ago by her mother, takes on leadership of the boarding school's six Houses. Plagued with doubts about being boss, she's not sure she can handle her Cadet counterpart, Jonah Griggs, whom she met several years before while running away to find her mother. When Hannah, a sort of house mother who has taken Taylor under her wing, disappears, Taylor puzzles over the book manuscript the woman left behind. Hannah's tale involves a tragic car accident on the Jellicoe Road more than 20 years earlier. Only three children survived, and Taylor discovers that this trio, plus a Cadet and a Townie, developed an epic friendship that was the foundation of the many mysteries in her life and identity, as well as of the war games. While the novel might put off casual readers, patient, thoughtful teens will remain to extract clues from the interwoven scraps of Hannah's narrative, just as Taylor does, all the while seeing the collapse of the barriers erected among the three groups over the years. Elegiac passages and a complex structure create a somewhat dense, melancholic narrative with elements of romance, mystery, and realistic fiction.—*Suzanne Gordon, Peachtree Ridge High School, Suwanee, GA*

Taylor Markham isn't just one of the new student leaders of her boarding school, she's also the heir to the Underground Community, one of three battling school factions in her small Australian community (the others being the Cadets and the Townies). For a generation, these three camps have fought "the territory wars," a deadly serious negotiation of land and property rife with surprise attacks, diplomatic immunities, and physical violence. Only this year, it's complicated: Taylor might just have a thing for Cadet leader Jonah, and Jonah might just be the key to unlocking the secret identity of Taylor's mother, who abandoned her when she was 11. In fact, nearly every relationship in Taylor's life has unexpected ties to her past, and the continual series of revelations is both the book's strength and weakness; the melodrama can be trying, but when Marchetta isn't forcing epiphanies, she has a knack for nuanced characterizations and punchy dialogue. The complexity of the backstory will be offputting to younger readers, but those who stick it out will find rewards in the heartbreaking twists of Marchetta's saga. Grades 9-12. --Daniel Kraus

Review

A beautifully rendered mystery.—

Users Review

From reader reviews:

Evelyn Looney:

Playing with family in a very park, coming to see the water world or hanging out with close friends is thing that usually you have done when you have spare time, after that why you don't try point that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Jellicoe Road, you are able to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind

hangout people. What? Still don't buy it, oh come on its called reading friends.

Breanne Gardner:
