### Marc Chagall: My Life By Marc Chagall

*My Life* was written in Moscow in 1921–1922, when Chagall was thirty-five years old. Although long out-of-print, it remains one of the most extraordinarily inventive and beautifully told of all autobiographies. The text is accompanied by twenty plates which Chagall prepared especially to illustrate his life story. Together, the words and pictures paint an incomparable portrait of one of the greatest painters of this century, and of the now vanished milieu which inspired him.
