Editorial Review

From the Back Cover

This book is for those family doctors and any other health care professionals involved in Primary Care around the world who really want to make useful progress in their medical English, in order to be able to read and write articles, participate in international courses and meetings, read textbooks in their original English language and visit or work in an English speaking country to enrich their professional experience.

If you are one of them, then this is the book you have been looking forward to. Here, theory and practice are carefully linked for optimal learning.

This book has been written for you by doctors who understand your needs and who aim to help you get the most out of your learning experience, without wasting your valuable time. You will be able to learn just what you need and (almost) all you need to feel confident understanding and communicating in English within your speciality.

Its revolutionary combination of formal teaching and conversational style, together with the selection of contents specific to Primary Care, will provide you with a unique platform to jump to a more advanced level with surprisingly little effort.

Users Review

From reader reviews:

Frank Hegarty:

Beside this kind of Primary Care English in your phone, it could possibly give you a way to get more close to the new knowledge or info. The information and the knowledge you might get here is fresh from your oven so don't always be worry if you feel like an aged people live in narrow town. It is good thing to have Primary Care English because this book offers to you personally readable information. Do you sometimes have book but you don't get what it's interesting features of. Oh come on, that will not happen if you have this in your hand. The Enjoyable arrangement here cannot be questionable, including treasuring beautiful island. Use you still want to miss it?
