The Only Way to Learn About Relationships By Marion D. March, Joan McEvers

The Only Way to Learn About Relationships, Volume 5, Second Edition is a new publication of the highly popular and best selling "Only Way to Learn About Astrology" six volume series. This book focuses on the relationship needs that are reflected in the natal chart, and instructs how to compare two charts to evaluate compatibility. It includes house activation, interaspects and composite charts. A unique feature traces the impact of early family conditioning (parents and siblings) on later love relationships. Although romantic relationships are the main focus of this volume, the authors delineate business and family relationships as well.
