Above the World: Earth Through A Drone's Eye From Teneues

Sometimes, all that is needed to change someone's mind is a change of perspective. Flying cameras, freed from the constraints of gravity, redefine how we perceive the world we live in and reveal previously unseen moments of beauty. Very rarely does a new technology level a playing field in an art form, allowing unknown talents to share headlines with established artists. Drones are one of these great equalizers. With this book, we are shining a spotlight on some of the world's best aerial photography. We examine not just the works of well-known aerial photographers, but also the many phenomenal images captured by non-professionals. The subjects of those showcased range from a volcanic eruption to the abstract patterns of fish farms as seen from above, and from never-before-seen views of Patagonia to powerful impressions of the Cliffs of Moher in Ireland. *Above the World* is an ode to the beauty of the aerial image as it can be seen and captured by anyone. Let yourself be inspired.

Editorial Review

Users Review

From reader reviews:

Rodolfo Rodgers:

This Above the World: Earth Through A Drone's Eye book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is definitely information inside this book incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This particular Above the World: Earth Through A Drone's Eye without we comprehend teach the one who reading it become critical in contemplating and analyzing. Don't become worry Above the World: Earth Through A Drone's Eye can bring if you are and not make your bag space or bookshelves' become full because you can have it inside your lovely laptop even cell phone. This Above the World: Earth Through A Drone's Eye having very good arrangement in word along with layout, so you will not experience uninterested in reading.

Edgar Foley:

Exactly why? Because this Above the World: Earth Through A Drone's Eye is an unordinary book that the inside of the publication waiting for you to snap this but latter it will zap you with the secret the item inside. Reading this book alongside it was fantastic author who have write the book in such wonderful way makes the content within easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of rewards than the other book include such as help improving your proficiency and your critical thinking method. So , still want to hesitate having that book? If I were you I will go to the reserve store hurriedly.

Andrew Spivey:

Are you kind of occupied person, only have 10 or even 15 minute in your day to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short period of time to read it because pretty much everything time you only find e-book that need more time to be examine. Above the World: Earth Through A Drone's Eye can be your answer since it can be read by anyone who have those short time problems.

Jennifer Powell:

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book was rare? Why so many question for the book? But almost any people feel that they enjoy for reading. Some people likes reading, not only science book and also novel and Above the World: Earth Through A Drone's Eye or others

sources were given know-how for you. After you know how the truly amazing a book, you feel would like to read more and more. Science publication was created for teacher or perhaps students especially. Those textbooks are helping them to bring their knowledge. In some other case, beside science e-book, any other book likes Above the World: Earth Through A Drone's Eye to make your spare time much more colorful. Many types of book like here.
