How To Identify Edible Mushrooms By Patrick Harding, Tony Lyon

The book features all edible species of mushroom, together with those with which they may be confused. Organized by habitat for easy reference, it is beautifully illustrated and includes the best ways to cook and eat the mushrooms you collect. Main species are illustrated in their relevant habitat, and key features are described in detail. Lookalikes are shown alongside the main species, and additional illustrations indicate how they differ. Calendar bars indicating at what time of year you can expect to see each mushroom along with an annotated cross-section giving accurate measurements make identification easier.
