## **Editorial Review**

### **Review**

" This ninth edition is justified and has a wealth of new material -- some 40 percent of it has been rewritten. Perhaps the greatest tribute of this latest edition is in its title, which now bears its most longstanding contributor's name, a mark of respect to a great foot and ankle surgeon."-Martin Yorath, DPM(Rosalind Franklin University of Medicine and Science) **Doody Review: 5 stars**

## **Users Review**

### **From reader reviews:**

#### **Barbara Jones:**
