Philosophical, Ideological, and Theoretical Perspectives on Education (2nd Edition) By Gerald L. Gutek

Gerald Gutek's *Philosophical, Ideological, and Theoretical Perspectives on Education* uses a systems approach to help readers examine the major schools of philosophy of education; consider the relationship of education to major ideologies including Nationalism, Liberalism, Conservatism, and Marxism; and analyze the impact of philosophy and ideology on educational theory and practice through the theories of Essentialism, Perennialism, Social Reconstruction, and Critical Theory. The concepts are made clear through the book's helpful chapter organization, which includes definitions of terms; historical contributors and antecedents; a general discussion of the particular philosophy, ideology, or theory; and relationship and application to education, especially to schools, curriculum, instruction, and to teachers and students.

Editorial Review

From the Back Cover

This systems approach to the major schools of philosophy of education gives readers a cognitive map of the areas, as well as the ideology in relationship to educational theory. It carefully examines the major schools of philosophy of education; considers the relationship of education to major ideologies including Nationalism, Liberalism, Conservatism, and Marxism; and analyzes the impact of philosophy and ideology on educational theory and practice through the theories of Essentialism, Perennialism, Social Reconstruction, and Critical Theory. Previously published as *Philosophical and Ideological Perspectives on Education*, and as *New Perspectives on Philosophy and Education*, this new version follows the content and organizational framework of these earlier editions. Each chapter includes:

- Definitions of terms;
- Historical contributors and antecedents;
- A general discussion of the particular philosophy, ideology, or theory; and
- Relationships and application to education, especially to schools, curriculum instruction, and to teachers and students.

While retaining the helpful pedagogical aids that made the previous editions so popular— *Questions for Reflection and Discussion*, *Inquiry and Research Projects*, *Internet Resources*, and *Suggestions for Further Reading*—this edition includes new marginal explanatory and cross reference notes and consistent updating throughout.

About the Author

Gerald Lee Gutek is a professor emeritus of educational policy studies at Loyola University of Chicago. He enjoyed a long teaching career at Loyola University and is a former dean of its School of Education. He earned his Ph.D. at the University of Illinois (Urbana). His academic specialization is the history and philosophy of education. Among his books are: *Historical and Philosophical Foundations of Education: A Biographical Introduction* (Pearson) and *An Historical Introduction to American Education* (Waveland). With his wife, Patricia, Gutek has written several historical travel guides, the most recent is *Pathways to the Presidency* (South Carolina University Press). Gutek is a member of the Philosophy of Education Society, the History of Education Society, and the Organization of Educational Historians.

Users Review

From reader reviews:

Yael Whitehead:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each e-book has different aim or perhaps goal; it means that publication has different type. Some people feel enjoy to spend their time and energy to read a book. They are reading whatever they get because their hobby is reading a book. Think about the person who don't like studying a book? Sometime, man feel need book when they found difficult problem or even exercise. Well, probably you will require this Philosophical, Ideological, and Theoretical Perspectives on Education (2nd Edition).

James Lightle:

What do you think of book? It is just for students because they're still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has distinct personality and hobby for each and every other. Don't to be forced someone or something that they don't wish do that. You must know how great in addition to important the book Philosophical, Ideological, and Theoretical Perspectives on Education (2nd Edition). All type of book can you see on many resources. You can look for the internet resources or other social media.

John Keys:

What do you about book? It is not important along? Or just adding material when you need something to explain what yours problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everybody has many questions above. They need to answer that question mainly because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need that Philosophical, Ideological, and Theoretical Perspectives on Education (2nd Edition) to read.

Samantha Bond:

This Philosophical, Ideological, and Theoretical Perspectives on Education (2nd Edition) tend to be reliable for you who want to become a successful person, why. The reason of this Philosophical, Ideological, and Theoretical Perspectives on Education (2nd Edition) can be on the list of great books you must have is actually giving you more than just simple reading food but feed you actually with information that possibly will shock your preceding knowledge.
