**Stealing from God: Why Atheists Need God to Make Their Case** By Frank Turek

If you think atheists have reason, evidence, and science on their side, think again! Award-winning author Dr. Frank Turek (*I Don't Have Enough Faith to be an Atheist*) will show you how atheists steal reason, evidence, science, and other arguments from God in trying to make their case for atheism. If that sounds contradictory, it's because it is! Atheists can't make their case without appealing to realities only theism can explain. In an engaging and memorable way, *Stealing from God* exposes these intellectual crimes atheists are committing and then provides four powerful reasons for why Christianity is true.

In an engaging and memorable way, *Stealing from God* exposes the intellectual CRIMES atheists are committing.
