Editorial Review

Review

Survivor was selected as a 2014 YALSA Quick Pick for Reluctant Young Adult Readers. --American Library Association/Young Adult Library Services Association

A brave young-adult novel about a devastating family secret...Langan, in this installment of his ongoing series set in fictional Bluford, offers unflinchingly honest plot situations to engage and educate readers. It would be easy to fall into overdramatic or sentimental cliché with this novel's subject matter, but Langan deftly avoids such traps, instead opting for natural dialogue and just enough specific detail to render his story universally relatable. --Kirkus Reviews
