The 5 Minute Pediatric Consult From Brand: Lippincott Williams n Wilkins

Now in its revised, updated 2nd edition, this reference is designed for quick consultation on problems seen in infants, children, and adolescents. Over 500 problems are covered in the fast access two page outline format that makes the "5-Minute Consult" volumes so popular among busy clinicians. The book has been organized into five sections - chief complaints, diseases, syndromes, physical findings, and tables. One third of topics are new or significantly rewritten and the book contains over 100 tables, (many of them new to this edition) which provide quick access to developmental milestones, lab values, differential diagnoses, and many other important topics.
