The Chaos of Stars By Kiersten White

Kiersten White, *New York Times* bestselling author of *Paranormalcy*, is back with *The Chaos of Stars*, an enchanting novel set in Egypt and San Diego that captures the magic of first love and the eternally complicated truth about family. Blending Ally Carter's humor and the romance of Cynthia Hand's *Unearthly*, *The Chaos of Stars* takes readers on an unforgettable journey halfway across the world and back, and proves there's no place like home.

Isadora's family is seriously screwed up—which comes with the territory when you're the human daughter of the Egyptian gods Isis and Osiris. Isadora is tired of her immortal relatives and their ancient mythological drama, so when she gets the chance to move to California with her brother, she jumps on it. But her new life comes with plenty of its own dramatic—and dangerous—complications . . . and Isadora quickly learns there's no such thing as a clean break from family.

Editorial Review

From School Library Journal

Gr 8 Up—Life is lonely when you're the 16-year-old mortal daughter of Egyptian gods. Isadora has been constantly reminded of her mortality ever since her parents, Isis and Osiris, showed her her own tomb as a young girl. Tired of her family's long history of feuding and scheming, she is counting the days until she is old enough to get away and live a normal life. That opportunity arrives when some bad dreams and an unexpected visitor cause Isis to send the teen to live with relatives in San Diego because home is no longer safe. Thinking that she is finally out of her parents' reach, Isadora is quickly proven wrong when she learns that her mother wants her to volunteer at a local museum to earn her allowance. Although she is wary of relationships, she can't resist befriending Tyler, a feisty girl and fellow volunteer. And despite her belief that love leads to chaos and disaster, Isadora gets close to Tyler's gorgeous poet friend, Ry. The strong bonds she forms help her appreciate her parents and embrace love for the sake of loving. White cleverly uses Egyptian mythology to depict teenage angst and generational conflict in a light, witty style. Although the characters are simplistic, the themes are clear and well executed. Readers looking for a fresh take on paranormal stories will find a lot to love in this romance.—Joy Piedmont, LREI, New York City (c) Copyright 2013. From [Booklist](#)

Isadora can't wait to leave her stifling family life in Egypt and join her brother Sirius in California. Her parents—Osiris and Isis—are gods, and she is merely human, and bitter about it, too. Her parents could gift her with immortality, but she believes they don't love her enough to keep her forever. Now that Isis is pregnant again, Isadora knows she's being replaced. Sirius is welcoming, and eventually, through her museum job, she makes friends, finds interior-design projects, and even falls for a strange, beautiful boy (who, readers will realize long before Isadora, is also descendant of gods—Greek ones). But when her ill-omened dreams keep telling her to return home, she ignores them until it's almost too late. Self-pitying Isadora is hard to like, though she redeems herself by saving her family once she learns how badly she's misunderstood everything. Unfortunately, most of the excitement happens at the end, with the rest dominated by romantic angst, dream sequences, and Isadora's flippant mythology lessons. Readers enamored of Egyptian mythology may still like this contemporary perspective. HIGH-DEMAND BACKSTORY: White's Paranormalcy trilogy brought her tons of attention, and a sweepstakes, mobile campaign, and more should keep the spotlight focused. Grades 7-10. --Krista Hutley

Review

“White cleverly uses Egyptian mythology to depict teenage angst and generational conflict in a light, witty style.... Readers looking for a fresh take on paranormal stories will find a lot to love in this romance.” (School Library Journal)

“Eloquent in its mixing of Egyptology with the experience of being a teenager, Isadora's story adds something unique to recent literary trends that blend the ancient world with the modern, and the character development, action-packed climax, intriguing family dynamics, and heartfelt romance will draw in fans of this genre.” (Voice of Youth Advocates (VOYA))

Users Review

From reader reviews:

Eric Johnson:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with their family members or their friend. Do you know? Many a lot of people spent their free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read a book. It is really fun for you personally. If you enjoy the book that you simply read you can spend all day every day to reading a guide. The book *The Chaos of Stars* it is quite good to read. There are a lot of folks that recommended this book. We were holding enjoying reading this book. If you did not have enough space to deliver this book you can buy often the e-book. You can more simply to read this book from the smart phone. The price is not too expensive but this book provides high quality.

Jordan Moore:

This *The Chaos of Stars* is great guide for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. This specific book reveal its info accurately using great organized words or we can claim no rambling sentences inside. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but hard core information with beautiful delivering sentences. Having *The Chaos of Stars* in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no reserve that offer you world inside ten or fifteen small right but this e-book already do that. So, this is good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?

Kristen Hancock:

Many people spending their time by playing outside with friends, fun activity using family or just watching TV the entire day. You can have new activity to invest your whole day by reading through a book. Ugh, do you think reading a book will surely hard because you have to bring the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Cell phone. Like *The Chaos of Stars* which is obtaining the e-book version. So, try out this book? Let's observe.

Lee Villegas:

That guide can make you to feel relax. This kind of book *The Chaos of Stars* was colorful and of course has pictures on there. As we know that book *The Chaos of Stars* has many kinds or type. Start from kids until young adults. For example *Naruto* or *Private investigator Conan* you can read and feel that you are the character on there. Therefore not all of book are usually make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading this.
