Editorial Review

Review

"We want to be careful about allowing God's Word to set our trajectory, power our progress, and govern our methods."

Review

"Here is one of the most faithful and insightful pastors of our time, addressing the most crucial issues of church life. Mark Dever refuses to separate theology and congregational life, combining pastoral insight with clear biblical teaching. This book is a powerful antidote to the merely pragmatic approaches of our day—and a refutation to those who argue that theology just isn't practical."

—**R. Albert Mohler Jr.**, President and Joseph Emerson Brown Professor of Christian Theology, The Southern Baptist Theological Seminary

"This book is the perfect example of what a truly practical book on church health and growth should be—it gives concrete guidance for and examples of biblical principles being put into practice in the life and ministry of the local congregation."

—**J. Ligon Duncan III**, Chancellor and CEO, Reformed Theological Seminary, Jackson, Mississippi

"Rare indeed are books on the church that begin with the Gospel. Rarer still are books that derive methodology for building the church from the Gospel. This excellent book does both."

—**C. J. Mahaney**, Senior Pastor, Sovereign Grace Church, Louisville, Kentucky

"The Deliberate Church shares many of the ministry lessons that Dr. Dever and his colleagues have learned from Scripture and sought to implement in the life of their church community. This book is for anyone who wants to get serious about following the biblical pattern for the church and is looking for down-to-earth practical help."

—**Philip Graham Ryken**, President, Wheaton College; author, *Loving the Way Jesus Loves*

"Here is a novel idea: use the Bible as a handbook to gather and guide the church! And The Deliberate Church is a novel volume indeed, standing amid the spate of 'church-as-corporation, pastor-as-CEO' manuals that glut church life. Here is a book that wafts a radical, refreshing breeze from the pages of Scripture that will breathe life into the church. A crucial read."

—**R. Kent Hughes**, visiting professor of practical theology, Westminster Theological Seminary
