About the Author

In September of 1989, what was supposed to be a rare relaxing day with family cruising down the Illinois River in a roomy boat, quickly turned into a nightmare...

David Neagle was pulled deep into the gates of a dam that shredded his flesh, broke his back, and nearly drowned him. No one expected him to survive the accident, and rescue workers even told his family he was already dead. (Entire boats had been sucked into this same dam, without survivors.)

What happened instead is that David, a high-school dropout & dock worker, awakened to the potential previously untapped within him. He made a decision that day to begin the journey responsible for changing his entire life, and now the lives of thousands of others.

David Neagle, Master Success & Wealth Consciousness Mentor, knows how to help you achieve whatever dream your heart desires ... no matter where you're starting from.

After his brush with death, David began to study his own potential. In the 12 months following his accident- despite being unable to walk for more than a month- he tripled his income! By December of 2000, David had expanded to become an executive corporate manager, a stock investor, and a business owner!

Over the years, David continually sought new mentors with each new level of success he attained. He began to study every great person in history ... but it wasn't until David began studying *The Science of Getting Rich*, by Wallace D. Wattles, that he fully understood the transformation he'd undergone. Wattles' book uncovered the exact change in David's thinking and in his attitude that had gotten the ball rolling; to create his unstoppable success.

Today, David Neagle is the President of Life is Now, Inc., a multimillion dollar global coaching practice dedicated to teaching entrepreneurs, coaches, speakers, and service providers how to use the power of Universal Law to rapidly create quantum leaps in both business and personal arenas.

Forever an avid student, David's core mission is to bring expanded awareness & higher consciousness to as many people as possible, and to find greater ways of helping entrepreneurs to create massive cash injections more rapidly, so they can lead their greatest possible lives and serve the greatest number of people.

One of the ways he's best known for doing so, is via live, in-person events. David also privately mentors his own private VIP clients to host their own transformational live events, designed to generate in excess of 7-figures in under 4 days, and simultaneously provide the opportunity for those in attendance to up- level, implement the latest proven business growth strategies & step into community with other like- minded entrepreneurs!
