The Probability of Miracles By Wendy Wunder

A dying teen learns to live in this heart wrenching debut the *New York Times Book Review* calls, “Funny and entertaining.”

Campbell Cooper has never been in love. And if the doctors are right, she'll never have the chance. So when she's told she needs a miracle, her family moves 1,500 miles north to Promise, Maine--a place where amazing, unexplainable events are said to occur--like it or not. And when a mysterious envelope arrives, containing a list of things for Cam to do before she dies, she finally learns to believe--in love, in herself, and maybe even in miracles, as improbable as they may seem.

Editorial Review

Review

"Funny and entertaining."

--*New York Times Book Review*

"The story unfolds through narration as beautiful as 'the sun's everlasting gobstopper descent behind the lighthouse.'"

--*Kirkus*, **STARRED REVIEW**

"A witty, clever, meaningful, kind of kooky life-sometimes-stinks-but-it's-all-we-have tour de force."

--*School Library Journal*, **STARRED REVIEW**

"Wonderfully bittersweet, with just as much humor as sadness."

--*Seventeen.com*

"A funny, quirky, and uplifting novel that will stay with the reader long after one is finished reading it."

--*Library Media Connection*

"Some readers prefer a little whimsy and bittersweet philosophy to tear-jerking and the story of Cam's final summer will be just what they are looking for."

--*Bulletin of the Center for Children's Books*

"This tale of romance, adventure, chasing dreams, and finding the power in home is a DO NOT MISS!"

--*Justine Magazine*

"Hilarious, wry, heartbreaking, and profound all at the same time."

--Sara Shepard, #1 *New York Times* bestselling author of *Pretty Little Liars*

About the Author

Wendy Wunder (yes, that is her real name) is also the author of *The Museum of Intangible Things*. When she's not writing or spending time with her family, she teaches yoga in Boston.

Users Review

From reader reviews:

Marla Mestas:

If you try to find new book to see, this book very ideal to you. The book *The Probability of Miracles* is much recommended to you to read. You can also get the e-book through the official web site, so you can more readily to read the book.

Adrienne McGinnis:

The Probability of Miracles can be one of your starter books that are good idea. Many of us recommend that straight away because this book has good vocabulary that will increase your knowledge in language, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort to put every word into pleasure arrangement in writing The Probability of Miracles yet doesn't forget the main level, giving the reader the hottest along with based confirm resource info that maybe you can be one among it. This great information could drawn you into brand-new stage of crucial imagining.

Daniel Hartung:

Reading a book for being new life style in this year; every people loves to read a book. When you read a book you can get a wide range of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you need to get information about your examine, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these us novel, comics, and soon. The The Probability of Miracles provide you with new experience in examining a book.

Mathew Casillas:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Probability of Miracles can make you really feel more interested to read.
