### Thinking Critically (Available Titles Aplia) By John Chaffee

THINKING CRITICALLY teaches the fundamental thinking, reasoning, reading, and writing abilities that students need to succeed in the classroom and beyond. The text begins with basic skills related to personal experience and then carefully progresses to the more sophisticated reasoning skills required for abstract, academic contexts. The 10th edition maintains the hallmarks that make THINKING CRITICALLY an effective tool for instructors and students. Each chapter provides an overview of an aspect of critical thinking, such as problem-solving, perception, and the nature of beliefs. Exercises, discussion topics, and writing assignments encourage active participation and prompt students to critically examine others' thinking, as well as their own.

## **Editorial Review**

### Review

"What I like most about the book is its many Thinking Activities. It really does live up to the promise that learning comes through doing."

"John Chaffee knows how to put together a fine book, one that easily engages instructor and student."

"I love the way the book is laid out; it's very 'user-friendly' with its colorful pictures, charts, etc. The categories are interesting and engaging. I think any student would be interested in learning from this text. Your book is a winner!"

### About the Author

John Chaffee, Ph.D., is a professor of philosophy at The City University of New York, where he has developed a Philosophy and Critical Thinking program that annually involves 25 faculty and 3,000 students. He is a nationally recognized figure in the area of critical thinking, having authored leading textbooks and many professional articles. He also has conducted numerous conference presentations and workshops throughout the country. In developing programs to teach people to think more effectively in all academic subjects and areas of life, he has received grants from the National Endowment for the Humanities, the Ford Foundation, the Annenberg Foundation, and the Corporation for Public Broadcasting. He was selected as New York Educator of the Year and received the Distinguished Faculty Award for Diversity in Teaching in Higher Education.
