Editorial Review

From the Back Cover

Written in consultation with teachers from across the disciplines, the fourth edition provides new material on argument and up-to-date coverage of reading electronic sources. The book combines six chapters on reading in the disciplines—the social sciences, business, the humanities and literature, mathematics, the natural sciences, and the technical and applied fields—with excellent coverage of reading comprehension and critical thinking. For reading instructors.

Users Review

From reader reviews:

Bernard Woodley:

This Academic Reading: College Major and Career Applications (7th Edition) book is not really ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is actually information inside this publication incredible fresh, you will get info which is getting deeper you read a lot of information you will get.
