### Editorial Review

"This book will be a valuable asset for any students who need to understand drug therapy for their future practice and for those who are involved in teaching students about the therapeutic use of drugs....This is an excellent component of the many Lange products that are available to both teachers and students to foster the understanding of drugs used in clinical practice. 3 Stars."--*Doody's Review Service (Doody's 2008-11-18)*
