## **CESMM4: Civil Engineering Standard of Method and Measurement (CESMM4 Series)** By The Institution of Civil Engineering

The Civil Engineering Standard Method of Measurement CESMM has been well-established for over 20 years as the standard for the preparation of Bills of Quantities in civil engineering work. This much-anticipated fourth edition, CESMM4, brings the method into line with changes in industry practices and extends its usages into all new areas. New to CESMM4: - Contract neutral: For the first time CESMM can be used contact suites including NEC and FIDIC - National Standard neutral: wherever possible Bill items are produced without reference to some form of standard classification
