Conceptual Chemistry Plus MasteringChemistry with eText -- Access Card Package (5th Edition) By John A. Suchocki

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

A long-established leader in liberal arts chemistry, John Suchocki's **Conceptual Chemistry** continues to take a student-centered approach in the new Fifth Edition. This robust program uses a conversational writing style to engage and involve non-science majors, helping them visualize the behavior of atoms and molecules to understand our macroscopic environment. With a focus on fundamental concepts — not mathematical models.
