Leaving Unknown: A Novel By Kerry Reichs

“Mixing humor with tender moments, Reichs creates an enjoyable journey with wonderful writing and likable characters.”

—*Library Journal*

From the author of *The Best Day of Someone Else's Life* comes *Leaving Unknown*—a funny and touching story of a young woman who, while traveling across country, finds herself stuck in the true middle of nowhere, a.k.a. Unknown, Arizona. Great writing comes naturally to Kerry Reichs (she's the daughter of *New York Times* bestselling author Kathy Reichs, whose Temperance Brennan forensic mysteries inspired the TV series *Bones*). With *Leaving Unknown*, Kerry has penned a bittersweet modern-day *Odyssey* that readers of Kristin Gore, Jennifer Crusie, Meg Cabot, and Jennifer Weiner will absolutely adore.

Editorial Review

From Publishers Weekly

In this easy but uneven read, Reichs (*The Best Day of Someone Else's Life*) spends 150 pages spinning her wheels with quirky, appealing characters before revealing a plot-enriching secret about protagonist Maeve Connelly. Maeve's story begins when she loses her job and vows to stop being flighty and irresponsible (flitterdegibbety). With her talking cockatiel in tow, Maeve heads west from the Carolinas, planning to reconnect with a friend who's found success in Hollywood. Her plan is predictably derailed when her car breaks down outside the town of Unknown, Ariz., where she's embraced by the locals and takes on a series of jobs—in a funky boarding house, at a bookstore owned by a handsome children's book author, at the local photo shop—while waiting on auto repairs. Chronic hypochondria leads her to seek out the town's doctor, and before long they begin a comfortable romance. Gentle humor and insight drive the sleepy story until a jarring but momentum-building conflict turns up, pushing the story toward a satisfying conclusion. Reichs' newest novel follows 26-year-old Maeve Connelly as she journeys across America in a 1970 Plymouth Roadrunner in an attempt to put her life back together. Accompanied by her bird, Oliver, Maeve works odd jobs in small towns ranging from Okay, Oklahoma, to Toad Suck, Arkansas, in order to keep her car in working condition. Misfortune strikes, however, when her car breaks down near Unknown, Arizona, where she is stranded for months on end. While there, Maeve becomes attached to assorted town denizens, befriending an attractive young doctor and obtaining a job at a bookstore run by a handsome children's book author. She also begins to reexamine troubles from her past after a secret she has been keeping is revealed. When Maeve's car is finally fixed, she must decide whether to stay in Unknown or journey on to Los Angeles to complete her voyage of self-discovery. Reichs' witty and entertaining writing style makes *Leaving Unknown* a trip worth taking. --Katherine Boyle

Review

"Mixing humor with tender moments, Reichs creates an enjoyable journey with wonderful writing and likable characters." (Library Journal)

Users Review

From reader reviews:

Julia Hale:

The guide untitled *Leaving Unknown: A Novel* is the publication that recommended to you you just read. You can see the quality of the e-book content that will be shown to anyone.
